**CSCAPE**

**TOURING in Cornwall  
May, June and July 2023**

**Tree** is a highly interactive, participatory performance for very young children and their grown ups, combining dance, theatre and music. Full of tactile props for each child to explore and movements to join in with, the show is based on the popular early years book 'Tree' by Britta Teckentrup and themed on the seasons. Tree has been carefully developed, researched and crafted for babies to pre-schoolers, meaning that each moment is appropriately pitched in content, style & duration.

**Cscape** is an established dance theatre company based in Cornwall with a strong reputation for creating and touring magical work to both indoor and outdoor venues. 'Tree' is the first in a series of shows for our Imaginarium project, creating high quality work for 0-5's.

# TREE.

“TREE is an enchanting and uplifting performance that celebrates nature whilst promoting the best in our own nature; playfulness, joy, unity and creativity. TREE grows magical family moments and childhood memories.”

Lorna Tremayne, Marketing Manager at The Lost Gardens of Heligan

“Cscape’s enthusiasm for movement is infectious! When working with children across the primary age range Sally and the team communicate wonderfully, enabling children to develop dance skills through creativity. Cscape model possibilities, children thrive off the examples and build their own movements. When they tell stories children listen to the words, watching the face and body of the performers, responding to every gesture and sound, creating magic!”

Abigail Squibb, Headteacher at Marlborough School

“Not only are Cscape fantastic dancers, they bring out the dancer in every child. Their energy and passion inspires children. They are organised as well as creative so the perfect dancers to deliver workshops!”

Cassie Pamplin, Headteacher at Porteath School
